XXXII INTERNATIONAL FESTIVAL OF SATIRE AND HUMOR "CITY DI TRENTO"

On 21st August 2024 at 9:30am took place a video-conference held by Studio d'Arte Andromeda (via Malpaga 11, Trento, Italy) to start the work of the jury for the above-mentioned contest. This year's theme was:

ROOTS

JURY MEMBERS:

Marco De Angelis, cartoonist and illustrator

Marilena Nardi, cartoonist

Veronica Rigotti, artist and art therapist

Tiziano Beber, illustrator

Veronica Rigotti, representing Studio d'Arte Andromeda, opens the jury work for XXXII International Festival of Humor and Satire "City of Trento" proposing the nomination of a jury's president and a jury's secretary.

Online at the video-conference are present: Marco De Angelis, Marilena Nardi, Veronica Rigotti and Tiziano Beber. Marco De Angelis is voted as President of the jury and Tiziano Beber as Secretary, unanimously.

The jury takes in consideration the big participation of the authors: this year we received artworks from 430 authors, for a total of 945 artworks coming from 58 countries. We feel like the level and quality of each work was very high. This year's theme, ambiguous and interpretable in different ways, has maybe helped everybody's creativity and has allowed the creation of powerful works both on graphic level and originality. In many of the works the authors reached a poetic level of expression through graphic and pictorial media.

The jury proceeds with the analysis of the comics category and then of the satire and humor category. Each artwork is discussed between the members of the jury.

The selection work takes place through the morning and the first part of the afternoon, without interruptions or problems.

The analysis of the artworks received for **comics category** takes the jury to the selection of the **11 artworks** that will join the exhibition; between them, the jury selected the **first prize**.

The jury then proceeds with the **satire and humor category** and selects the **197 artworks** that will join the exhibition, **3 prizes**, **7 honorable mentions** and also assigned the **Special Prize Alessandro Alfonsi**.

The prize assignment, approved unanimously after discussion, is the following:

SATIRE AND HUMOR

FIRST PRIZE

Oguz Demir - Turkey

The concept of "Roots" is expressed with originality and a clean and incisive graphic style. In his artwork, where all forms of life come out of an egg shell, humans are amongst all creatures, without distinctions and in an original and equal balance.

Demir shows us with a masterful conceptual and graphic synthesis how Nature is our Mother and makes us all interconnected.

SECOND PRIZE

Anna Formilan - Italy

With these trees transforming themselves into space rockets to escape a planet that's altered and corrupted, Anna Formilan tells us that, as an extreme resource, it's necessary to eradicate ourselves to find new life and new salvation, maybe on a new planet that's not stained by human kind. Her artwork is of exceptional visual impact, where the graphic metaphors and the colors are used in a very efficient way.

THIRD PRIZE

Oleg Dergachov - France

There are the basis of genetic science, but also a direct cultural and social message, in Dergachov's artwork, where hereditarianism is the product of a balanced mix between diversities. What might look as an anomaly, can instead bring life and a singular perfection. The skilled pictorial use of colors meets perfectly with an intelligent graphic synthesis in this original, creepy, but memorable "family portrait".

SPECIAL PRIZE ALESSANDRO ALFONSI

Firuz Kutal - Norway

Firuz Kutal, with an elegant and essential line, responds to the exhibition's theme looking closely into human kind and the world we are part of. In a drawing where symbolism and surrealism leave affirmations and questions open, the author uses reflected images of the trees and of the man to reveal, or ask, what the essence of life might be.

HONORABLE MENTIONS

Agim Sulaj - Italy

Igor Smirnov - Russia

Javad Takjoo - Iran

Konstantin Kazanchev - Ukraine

Luc Descheemaeker - Belgium

Marina De Santis - Italy

COMICS

FIRST PRIZE

Santago Cornejo - Argentina

A fun, silent artwork with bright colors and few essential sequences – where the caricatural style resembles the american magazine Mad- that puts as in front of an embarrassing paternity test of a superhero family. Cornejo, without using words, tells us about the theme of origins and heritage, using iconic characters of superhero comics with fantasy and humor.

The jury works are closed at 06.00pm on 21st August 2024.
